<b>Which of the Area Committee priorities does your application address?</b>  <i>(If you require a copy of the Area Committee action plan, please contact your community engagement officer)</i>	<ul style="list-style-type: none"><li>• Proud of our Environment</li></ul> <p>The Westbourne Library Friends fully support the Area Committee's priorities - the Broomhill Park Project has brought the community together, created a better area for people to walk, sit and read, and in general, provided an area that people are now really engaged with, and people are asking if we can help with small projects. This is true community action in play and we feel that restoring the bench will add to the park's value and encourage more people to the park, which in turn make people aware of what a great place Ipswich is.</p>
<b>How does your application meet this priority?</b>	As mentioned above this application meets the Central Area Committee's priorities in making Ipswich a fun place to live whilst exploring are extensive rich heritage and the park bench story is just the tip of the iceberg.... this is a area that was built for people and is now being delivered by the people.
