Member Quote: "I had a stroke 12 months ago at the age of 84. The class has helped me improve my balance, which means that I can now attend a gym twice a week. This regular exercise will help with my recovery."

Member Quote: "This has been a great eye opener for me in terms of how my body can become stronger providing I follow the schedule and don't skip sessions."

Member Quote: "Once I got through the first 4 weeks I have not had anywhere near as much pain from my arthritis. So much so that I am often completely pain free."
