

SOUTH WEST AREA ACTION PLAN

The South West Area Committee will work to alleviate deprivation within the wards of Gipping, Bridge, Stoke Park and Sprites.

The domains of deprivation as identified by the [Department of Communities and Local Government](#) are;

- Income
- Employment
- Health and Disability
- Education, Skills and Training
- Barriers to Housing and Services
- Crime
- Living Environment

For 2017-18 the South West Area Committee will prioritise action to alleviate deprivation in the domain of **Education, Skills and Training** and in the domain of **Health and Disability**.

The South West Area Committee will seek to further the aims of the Council in improving the town for residents as described in [BUILDING A BETTER IPSWICH: THE COUNCIL'S CORPORATE PLAN](#).

For 2017-18 the South West Area Committee will prioritise action in line with the following Council aims and activities;

Priority 1: A strong Ipswich economy: we will support Ipswich's growing economy and play a role as an enabler, partner and investor.

Priority 4: A healthy community: we will contribute to the quality of life for Ipswich residents and aim to influence the health and wellbeing of local people.

Priority 6: Safe communities: we will work with partners to tackle community safety issues in the town.

The members of the South West Area Committee and supporting officers will pursue actions in line with these priorities throughout the year. Groups and projects working to alleviate deprivation in any of the 7 domains or in line with the aims outlined in the Corporate Plan can be considered by Committee for support.

Before being considered for application projects for the benefit of Ipswich residents, but not identified here, must first make the case for local benefit at a Committee meeting.
