

COMMITTEE: STRATEGIC O & S **REF NO:** OS/19/13
DATE: 30 JANUARY 2020
SUBJECT: HIGHWAYS ENGLAND UPDATE ON THE
ORWELL BRIDGE

Short description of report content and the decision requested:

Attached is the presentation which will be given by Simon Amor, Head of Planning and Development at Highways England.

The presentation has been provided in advance of the meeting to allow Councillors on the Strategic Overview and Scrutiny to consider any questions they may wish to ask of Highways England's representatives.

It is anticipated that Highways England will publish documents related to the Aerodynamics Study in the near future, however, it is not clear whether this will be in advance of the Strategic Overview and Scrutiny Committee meeting.

List of Appendices included in this report:

Appendix 1 – Presentation - A14 Orwell Bridge Overview of Aerodynamics Study

Recommendation:

That the presentation be noted and that the Strategic Overview and Scrutiny Committee consider what, if any, further scrutiny they consider to be appropriate.
