Background and Reason for decision

To award a one year contract to Destin Solutions Ltd through G-Cloud 13 framework for Nexus solution managed service to identify missing business rate and council tax assessments in respect of the area covered by Ipswich Borough Council, Babergh District Council and Mid Suffolk District Council.

The reasons this decision has been taken are:

- The councils are required to notify the Valuation Office Agency of any changes required to the rating and banding list such as new properties, splits, and mergers.
- Adding properties to the banding and rating list will generate additional income
- SRP have been investigating whether there are products available that can pull together various data sets, which can then be used to implement a more efficient targeted approach to identify missing business rate and council tax properties.
- Companies listed as offering this service on the G-Cloud 13 framework have been considered.
- The solution offered by Destin represents the best value for money
